

# THE MIMASIAN REPORT

## Welcome back!

Welcome to issue no.1 of 2020 and the Mimasian Report. This is the second year of the Mimasian Report's existence and we are happy to continue bringing you the news of the Royal Household.

It is challenging times for all of us and the Mimasian diaspora as the world continue the fight against COVID-19. His Royal Highness made a statement public on the 8<sup>th</sup> of April saying, "*I encourage you all to listen to those educated in the medicinal and epidemiological field first and politicians second.*". The Archduke, known for his faith in science, spoke with determination as he encouraged us all to remain calm and follow the regulations of our local areas.

## New citizens

The Archduchy had the honour of welcoming four new citizens during the first quarter. We wish them all the best in their new role as citizens of the Archduchy.

## Q1's MicroWiki page

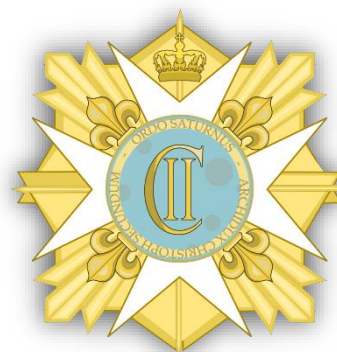

Every quarter we feature a page on the Archduchy of Mimas from MicroWiki. This time we are featuring *The Order of Saturn*.

The Order of Saturn is a Mimasian order of knighthood established in 2015 by Archduke Christoph II. It recognises distinguished personal service to the monarch and to the nation. The present monarch, Archduke Christoph II is the sovereign of the order.

Admission remains at the discretion of the monarch. The honoured individuals may use the styles of the order and the post-nominal letters. The Order of Saturn takes precedence amongst other honours in the Archduchy of Mimas.

The reigning monarch is at the apex of the Order of Saturn as its Sovereign,

followed by the Grand Master.

Below the Grand Master are two officers: the Chancellor and the Registrar. The styles of knighthood are not used by members of the royal family or peers of the uppermost ranks in Mimasian society, except for when a person's name is written in it's fullest form and would present all titles, styles and honours. Grades of the Order of Saturn:

- Knight/Dame Grand Cross
- Knight/Dame Commander
- Commander

## Take care

It is strange times and we wish for you all to stay safe. Please contact the Royal Household if you have any questions!

Sincerely yours,
